

Want To Go To College? Follow These Steps...

Freshman Year-Grade 9

- **Talk with your parents and school counselor about future plans. Put your plan in writing and up date yearly.**
- **Review and update your Career Development Plan**
- **Select a course of study, College Prep, College Tech Prep or Occupational**
- **Review College Entrance requirements**
- **Take challenging classes that prepare you for college**
- **Attend school each day and prepare daily for your classes so that your grades are the best. Grade point average (GPA) and class rank are calculated beginning in grade 9. Remember that advanced classes earn extra quality points. Attendance is also reported on your transcript.**
- **Take the PSAT**
- **Attend National College Fair/Career Expo with your parents.**
- **Participate in extracurricular activities and keep a record of them.**

Sophomore Year – Grade 10

- **Review your selection of high school courses, keeping in mind your selected course of study and college entrance requirements.**
- **Talk with your parents and school counselor about your future goals. Begin to think about choices of college majors.**
- **Initiate inquiry into possible careers. Second semester you are eligible to participate in the Academic Internship Program.**

- **Do well in all courses to maintain or improve your grade point average and class rank.**
- **Take the PSAT.**
- **Attend National College Fair/Career Expo with your parents**
- **Select challenging course for your junior year during spring registration. Consider taking Advanced Placement courses in your best academic areas.**
- **Participate in a summer enrichment program.**
