

Suggested School Supplies

The first day of each class the teacher's will provide a list of additional supplies.

Below is a basic school supply list:

- Notebook/Binder(s) - 3 ring
- Notebook subject dividers
- Looseleaf notebook filler paper
- Pens (blue or black ink)
- Pencils with erasers (#2)
- Colored pencils
- Highlighters
- Glue stick or tape
- Index Cards
- Ruler
- Markers

We have ordered student agendas for every student and the cost is \$5.00.

Mathematics students need a notebook with loose leaf paper, pencils and at least a TI-83+ graphing calculator. The TI-89 and the TI-86 are also good options for the precalculus and AP Calculus students; however, the TI-83+ will be sufficient. The TI-83+ can also be used in AP Statistics. For Geometry classes students will need a ruler, protractor and compass.
